IMPIANA PRIVATE VILLAS UBUD

TIMELESS EXPERIENCES, INSPIRED BY UBUD

For over 25 years, Impiana has been crafting places where life feels richer, warmer, and more connected. Born in Malaysia and growing across South East Asia, each Impiana retreat is defined by its iconic setting, whether in the heart of a bustling city or cradled in nature's embrace. More than just a stay, every moment with Impiana is shaped by genuine care and a sense of belonging, inviting you to feel at home while discovering the spirit of each destination.

WELCOME TO *Ubud*

Where myth and magic reside, Ubud is cloaked in lush jungle, sacred rivers, and timeless traditions. The Ayung flows steadily through the valley, carrying with it centuries of ritual, artistry, and devotion. Iconic rice terraces, royal palaces, and water temples create a landscape both breathtaking and deeply soulful.

Here the spiritual heart of Bali beats strong, a place where every path leads to discovery and every moment feels eternal.

Cradled on the banks of the Ayung, Impiana Private Villas Ubud is a sanctuary of balance and renewal. Life here slows to the rhythm of the river, inviting stillness, connection, and experiences that feel timeless, inspired by Ubud, shaped by nature, and deeply your own.

YOUR PRIVATE UBUD SANCTUARY

Surrounded by the lush valley of the Ayung River, **Impiana Private Villas Ubud** is home to **70 suites and villas, each with its own pool**. Flowing like a garden, the resort is shaped by five enclaves named after Bali's flowers Cempaka, Kamboja, Melati, Anggrek and Teratai, creating an atmosphere of intimacy and connection to nature.

Dining unfolds in two distinct ways. **Bijan**, our all-day dining venue, overlooks the rice fields and serves comfort and international favourites from morning to night. **Ayung**, set on the river's edge, is our specialty Asian grill restaurant celebrating flavours of fire with barbeques, satay and seasonal produce.

IMPIANA PRIVATE VILLAS UBUD
